Product Approval Number: **WWP-20183**

Attn: Steven Adams
RELN Pty Ltd
14B Williamson Road
Ingleburn NSW 2565

Dear Adams,

Product approval for the RELN Pty Ltd 450L/600L pump well, 1,200L pump well, 3,200L septic tank/holding tank, and 4,000L septic tank/holding tank

We refer to your application seeking product approval for the RELN Pty Ltd 450L/600L pump well, 1,200L pump well, 3,200L septic tank/holding tank, and 4,000L septic tank/holding tank.

Approval of the product is granted on the basis that the product has been certified by ApprovalMark to conform with:

- AS/NZS 1546.1:2008 - On-site domestic wastewater treatment units – Septic tanks, as demonstrated by ApprovalMark, certificate number AMI 1651.

Pursuant to the South Australian Public Health (Wastewater) Regulations 2013, product approval is granted subject to the following conditions:

1. The approved products incorporate:
    1.1. A polyethylene pump well with polypropylene lid, with inlet options allowing for a capacity of either 450L or 600L.
    1.2. A polyethylene pump well with polypropylene lid, with inlet options allowing for a capacity of either 900L or 1,000L.
    1.3. A 3,200L polypropylene septic tank with internal baffle wall and optional ring riser.
    1.4. A 3,200L polypropylene holding tank with optional ring riser.
    1.5. A 4,000L polypropylene septic tank with internal baffle wall.
    1.6. A 4,000L polypropylene holding tank.

2. The products shall be manufactured and constructed in accordance with:
    2.1. The plans, drawings and specifications, as referenced in this approval.

2.2. AS/NZS 1546.1:2008 – On-site domestic wastewater treatment units – Septic tanks.

2.3. All other relevant standards and codes.

2.4. Conditions of this approval.

3. The seller of the approved product shall provide the purchaser with an electronic or hard copy of:

3.1. The 600L Pumpwell Installation guide; or

3.2. The 1200L Pumpwell instillation guide; or

3.3. The RELN Septic and Holding Tanks Installation Guide.

3.4. Any other instructions relating to the installation, operation or maintenance of the product.

4. Modification of the design, materials or manufacturing process of the approved products or any of their associated components requires a variation to this approval by the Department for Health and Wellbeing.

5. The product approval will expire on **19 July 2028**, at which time the products will no longer be approved and will be removed from the SA Health approved product database.

6. This product approval does not constitute approval for the installation of the product.

Approved by: Date: 10 June 2025

Callum Brady
Manager, Wastewater Management
Delegate of the Minister for Health and Wellbeing

Notes:

Pursuant to the SA Public Health (Wastewater) Regulations 2013

1. *The Department for Health and Wellbeing (DHW) may, by written notice, revoke the approval if satisfied that:*
   - 1.1. *The approval was obtained improperly.*
   - 1.2. *A condition of the approval has been contravened.*

2. *The DHW may conduct an inspection of an approved product to establish compliance with the submitted plans and the conditions of this approval.*

3. *The DHW may vary or revoke any or all of the approval conditions, or impose a further condition where:*
   - 3.1. *Variation, revocation or imposition is necessary in order to prevent or mitigate significant harm to public or environmental health or the risk of such harm.*
   - 3.2. *Reference to a new version of a manual is required.*
